

H100 SAFETY HARNESSES FOR ESSENTIAL FALL PROTECTION

Designed to meet the most common
fall protection needs

Honeywell
MILLER

H100

The H100 series is the Honeywell cost effective, quality, construction and general industry compliant harness designed to meet the most common fall protection needs.

The Honeywell Miller H100 series has been designed around a simple concept: provide a fundamental fall protection line with exceptional value. The new Miller H100 series was assembled to meet the most common fall protection needs while maintaining a focus on value and safety.

H100 HARNESS FEATURES

- Honeywell Miller branded: built with our legendary quality and reliability
- Lightweight: more comfortable
- Covered identification labels: protects labels during the life of the harness
- New distinctive vibrant color webbing
- Cost effective
